Charismatic Captivation

*Authoritarian Abuse & Psychological Enslavement
in Neo-Pentecostal Churches*

Multitudes of sincere and trusting believers are unaware victims of “Charismatic captivation,” ensnared in the virtually invisible web of authoritarian abuse, psychological enslavement, and sordid economic exploitation by self-aggrandizing church leaders for their personal advancement and expansion of their private kingdoms. Through systematic indoctrination and brainwashing, victims have been duped into accepting as right and beneficial the oppressive predominance imposed upon them by unscrupulous, tyrannical church leaders. **Charismatic Captivation** trumpets forth to all ecclesiastical “Pharaohs” the Divine Demand to “Let My People Go!” It exposes the widespread authoritarian abuse that has been flourishing virtually unabated for decades since it was first infused into the very fabric, foundation, and functions of the Charismatic/Neo-Pentecostal church during the “Discipleship/Shepherding Movement” of the early-1970s. It spotlights the salient signs and symptoms of authoritarian abuse, dissects the fallacious doctrines behind it, and offers victims clear, concise steps for recovery from the psychological trauma and restoration from the spiritual damage they’ve experienced. Written by a Charismatic minister from an insider’s perspective, **Charismatic Captivation** has been praised by scholars, ministers, and laymen as the most *comprehensive* and *convincing* volume written to date on the prevalent problem of Neo-Pentecostal authoritarian abuse. In sum—by a Charismatic, for Charismatics, without Charismatic-bashing. **Charismatic Captivation** is a genuine prophetic word ordained by God! “*Shocking!*” “*Horrifying!*” “*A real eye-opener!*” “*Incredible!*” “*A fireball of truth!*”—are some readers’ reactions.

The Mystery of the Kingdom

Bearing Kingdom Fruit

The Mystery of the Kingdom is a virtual *Christianity 101*, and is must-reading for every believer! It puts the entire “big picture” of the Christian experience and life into proper perspective. Its powerful, life-changing message is based on the paramount parable—The Parable of the Sower. Jesus Himself said this was most important of all His parables and the “key” to understanding all His other parables. He indicated that inherent within the parable were “*the mysteries of the kingdom*”—the spiritually-appraised “secrets” of how the entire Kingdom of God operates. The four categories of hearers of the Word of God and their eternal destiny and destination is the central theme of the parable and this book. Everyone who has ever heard the Gospel of Christ is represented by one of the categories. Each hearer determines his/her own future and eternal destiny by his/her response to the Seed that has been sown in the soil of his/her own heart. Jesus declared that any tree (i.e., believer) that does not eventually bear forth kingdom fruit would be cut down and thrown into the fire! **The Mystery of the Kingdom** tells believers in simple terms how to bring forth Kingdom fruit in their own life and thereby avert eternal judgment and eternal separation from God.

The Prophetic Gifts & Office

—A Biblical Perspective

In 1986, the Lord declared through prophetic utterance in a gathering of prophets and prophetic people that He was at that time restoring the prophetic gifts and office in the Church. ***The Restoration of the Prophetic Gifts and Office*** is one of the most comprehensive volumes exclusively addressing the matter of the prophetic gifts and office published to date. The manual chronicles in great detail the Biblical foundation of the prophetic gifts and office, how the prophetic was abrogated during church history, its recent restoration, and its validity and role in the Church today and the future. The teaching contained in this volume is based on not only extensive research of Church history and painstaking study of Scripture, but also on the author’s more than twenty years of experience in prophetic ministry. Laymen and ministers alike have been greatly enlightened by this virtual encyclopedia of the prophetic realm.
